

# Your Provider is a HealthTexas Physician

**HealthTexas Provider Network** is the 2nd largest subsidiary of Baylor Scott & White Health. We are a large network of close to 1,050 providers serving patients in over 315 care sites throughout North Texas and Fort Worth who are dedicated to providing you with outstanding quality and service when it comes to caring for your medical needs.

Having your healthcare needs overseen by a HealthTexas physician means that your care is coordinated across our network and Baylor Scott & White Health.

As long as you are seeing a HealthTexas primary or specialty care physician, we will have your completed registration packet and medical record securely stored in our Electronic Health Record system giving any HealthTexas physician access to the information they need to provide you and your family with the best care possible.

## Benefits of Belonging to HealthTexas Provider Network:

- **One Time Form Completion**

The registration forms you are filling out today will only have to be **filled out once**. (Some additional patient information may need to be updated annually)

- **Electronic Health Record (EHR) system**

The EHR stores your medical records (including any medications, allergies or health issues you may have) and allows physicians easy access to referrals, consultations, and patient education materials.

- **Improved Coordinated Care**

Sixty of our primary care sites are recognized by the National Committee for Quality Assurance (NCQA) as Physician Connections-Patient-Centered Medical Homes (PPC-PCMH) allowing our physicians to coordinate your care seamlessly across our network of specialists, labs, and hospitals in accordance with your specific needs.

We appreciate your trust in us and thank you for choosing a HealthTexas physician to meet and monitor your healthcare needs. You can now find a HealthTexas physician with the touch of a button. Download your HealthTexas physician finder app, free from the App store on your iPhone. You can also check **[www.healthtexasdoctors.com](http://www.healthtexasdoctors.com)**.

This notice describes the practices of HealthTexas Provider Network (“HTPN”) and that of its physicians<sup>1</sup> with respect to your protected health information created while you are a patient at HTPN. HTPN, physicians and personnel authorized to have access to your medical chart are subject to this notice. We create a record of the care and services you receive at HTPN. We understand that medical information about you and your health is personal. We are committed to protecting medical information about you. This notice applies to all of the records of your care at HTPN.

This notice will tell you about the ways in which we may use and disclose medical information about you. We also describe your rights and certain obligations we have regarding the use and disclosure of medical information.

### **Your Health Information Rights**

Although your health record is the physical property of HTPN, the information belongs to you. You have the right to:

- Request a restriction on certain uses and disclosures of your information for treatment, payment, health care operations and as to disclosures permitted to persons, including family members involved with your care and as provided by law. However, we are not required by law to agree to a requested restriction, unless the request relates to a restriction on disclosures to your health insurer regarding health care items or services for which you have paid out-of-pocket and in-full;

<sup>1</sup> Physicians are employees of HealthTexas Provider Network and are neither employees nor agents of Baylor Health Care System, or Baylor Health Care System’s subsidiary, community or affiliated medical centers.

*We will use and disclose your health information as otherwise allowed by law. Examples of those uses and disclosures follow.*

**Business associates:** There are some services provided in our organization through agreements with business associates. Examples include answering services and copy services. To protect your health information, however, we require business associates to appropriately safeguard your information.

**Individuals involved in your care:** Unless you object, we may disclose to a family member, other relative, a close personal friend or other person you identify the health information that is directly relevant to that person's involvement in your health care or payment for your health care. If you are not able to agree or object to such disclosure, we may disclose the information as necessary if we determine it is in your best interest in our professional judgment.

**Worker's compensation:** We may disclose health information to the extent authorized by and to the extent necessary to comply with laws relating to worker's compensation or other similar programs established by law.

**Public health:** As required by law, we may disclose your health information to public health or legal authorities charged with preventing or controlling disease, injury, or disability.

**Abuse, neglect or domestic violence:** As required by law, we may disclose health information to a governmental authority authorized by law to receive reports of abuse, neglect, or domestic violence.

information about you for judicial, administrative and law enforcement purposes.

**Health oversight activities:** We may disclose health information to a health oversight agency for activities authorized by law, such as audits, investigations, inspections and licensure.

**Threats to health or safety:** We may use or disclose health information as allowed by law if we believe in good faith that it is necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or the public or for law enforcement authorities to identify or apprehend an individual involved in a crime.

**Special government functions:** We may disclose health information to authorized federal officials for intelligence, counter-intelligence and other national security activities authorized by law, or for protective services to the President of the United States or certain other government officials. If you are a member of the military, we may disclose health information to military authorities under some circumstances. If you are an inmate of a jail, prison or other correctional facility or in the custody of law enforcement personnel, we may disclose health information necessary for your health and the health and safety of others.

**Required or allowed by law:** We will disclose medical information about you when required or allowed to do so by federal, state or local law.

**Electronic Health Information Exchange:** HTPN uses a third party to maintain a Health Information Exchange (HIE). HTPN stores electronic health information about you in the HIE. Electronic health information about you from other health care providers or entities that are not part of HTPN who have treated you or who are treating you is also stored in the HIE, and HTPN and these other providers can use the HIE to see your electronic health information for the purposes described in this Notice, to coordinate your care and as allowed

by law. HTPN monitors who can view your information, but the individuals and entities who use the HIE may disclose your information to other providers.

You may opt out of the HIE by providing a written request to the Compliance Officer at HealthTexas Provider Network, 8080 North Central Expressway, Suite 1700, LB 83, Dallas, TX 75206. If you opt out, your information will still be stored in the HIE by Baylor, but your information will not be viewable through the HIE. You may opt back in to the HIE at any time. You do not have to participate in the HIE to receive care.

### **When We Need Your Written Authorization**

We will not use or disclose your health information without your written authorization, except as described in this notice. Uses or disclosures that require your written authorization include the following:

- Most uses and disclosures of psychotherapy notes.
- Uses and disclosures for marketing purposes, unless we speak with you face-to-face or provide a nominal promotional gift.
